

Steps to become a Technical Honor Student!!!!

- 1) Must be referred to us by current or former teacher preferably a Career and Technical Education Instructor. This referral should outline your characteristics/abilities of; work ethic, honesty, self motivation and a high skill or ability in your prospective program area.
- 2) Fill out NCKTC Technical Honor Student Scholarship Application
 - a) Write a brief summary of your education/career goals. Please list any awards you may have won during high school.
 - b) Submit documentation of ACT, ASSET, or COMPASS Test Scores.
 - c) Submit official copy of current high school transcripts.
- 3) Demonstrate your technical ability to a NCKTC faculty member.
- 4) Awarded student will be required to sign a Letter of Intent as recognition of their accomplishment.
- 5) To achieve Technical Honor Student Status with NCKTC, all of the above requirements have to be completed on or before **May, 7, 2010**
- 6) Scholarship is a one time award and will not be renewable.
- 7) Scholarship will be awarded in two installments, \$500/Fall, \$500/spring.
- 8) For those students who do not receive Technical Honor Student status, your scholarship application will automatically be entered into the pool of students to be considered for an NCKTC Departmental Scholarship award.
